

WATER QUALITY MITIGATION PROJECTS

Vicinity and Project Overview	See EWTP
Legend and Abbreviations	See EWTP

ELWHA SURFACE WATER INTAKE (ESWI)

ESWI JARPA Data	2
-----------------------	---

ESWI – Upstream Features

Figures:

1. Modified Site Plan	8
2. Temporary Diversion Channel – Section A	9
3. Temporary Diversion Channel – Section B and C	10
4. Restored Temporary Diversion Channel – Section A	11
5. Restored Diversion Channel – section A	12
6. Constructed Riffle – Profile E	13
7. Constructed Riffle – Section F	14
8. Confluence of Channels – Section G	15
9. Intake Structure – Section H	16
10. Access Road – Section J	17
11. Access Road – Section K	18

ESWI – Downstream Features

12. Modified Site Plan	19
13. River Intake Structure – A	20
14. Diversion Pump Station – Section B	21
15. Retaining Wall and Fish Return Pipe – Section C	22
16. New Overflow Pipe From Intake Structure – Section D	23
17. Fish Screen Structure – Section E	24
18. Fish Screen Structure – Section F	25
